## ЛТОГИ

Итого звонков:	17 <span>8 успешных</span>
Итого длительность:	0 часов 2 минуты 7 секунд

The screenshot shows the Chrome DevTools Network tab. A request to `calls.php` is selected. The 'Headers' tab is active, displaying the 'Request URL' and 'Status Code: 200 Internal Server Error'. The 'Response' tab shows a large JSON array of objects, each containing a 'call' object with details like 'id', 'type', 'status', and 'location'. The 'Name' tab shows the request details, including the 'Request URL' and 'Status Code: 200 Internal Server Error'.
